Autumn Term 2 2024

From Mrs Baty

Welcome back everybody!

Hope you all had lots of fun celebrating Halloween.

PE day is a Friday again this term.

FS1 (nursery) and FS2 (Reception) children are all going to be doing dance this half term. As last half term, FS1 children will take their shoes and socks off for PE and FS2 children will be putting their PE kits on.

This term we will be encouraging the children to become independent when dressing and undressing for PE. If they are practising getting ready at home themselves, this will support them with this in school. Please ensure all elements of PE kit and uniform has your child's name in, including shoes.

What We Are Learning

Our topic this term is **'Toy Story!'** We will be focussing each week on a different toy for example puppets, robots and cars. The children will be sharing what their favourite toy is and we will be making a display in school using photos of their favourite toys sent in on seesaw. We will be turning the creative area into an elves workshop leading up to Christmas and designing, making and wrapping toys. The children will be writing letters to Santa and sharing with their friends what they would like for Christmas. We will be looking at toys from the past and comparing them to our toys we play with now.

Upcoming Events

5th November 9am – FS2 parents invited in for Phonics meeting
