Summer 1

Dear Parents / Carers,

Welcome back to the first half of summer term. We hope you have had a lovely break and are raring and ready to go!

We have a short but fun-filled half term ahead. Kicking off on Tuesday with a trip to SafetyWorks, which is always a great trip.

In English the children are going to be continuing to develop their sentence writing skills and will be encouraged to record more independently with the correct punctuation. The homework this half term is focused on the children applying their phonic knowledge in preparation for their phonics screener in June. In maths we are moving on to study multiplication, division and fractions.

PE will now be on a Tuesday and Wednesday where we will be taking part in OAA and Skipping.

Remember to send a water bottle in every day with your child and we continue to change books on a **Monday**. Please continue reading often with your child, you can really see the difference in the fluency and confidence when they have lots of 'reading miles'.

Homework will continue to be the weekly spelling test, key maths facts activities and some targeted phonics work in preparation for the phonics screener.

Thank you for your support,

Miss Arkley and Miss Turner.
