

RE

Christianity, Islam and Humanism - How and why do people care about the environment?

Children will explore:

- how Christian values, Muslim values and humanist values will affect views on moral issues e.g. the environment.
- make comparisons between these
- how to care for the environment

Computing

E-Safety - Online reputation, self-image and identity

Spreadsheets

Children will:

- create a data set in a spreadsheet
- build a data set in a spreadsheet
- explain that formulas can be used to produce calculated data
- apply formulas to data
- create a spreadsheet to plan an event
- choose suitable ways to present data

Music

You've got a friend in me

Children will:

- describe the style indicators of the song/music.
- describe the structure of the song.
- identify the instruments/voices they can hear.
- talk about the musical dimensions used in the song
- take part in workshop sessions.
- learn to clap some of the rhythms used in the song.
- learn some musical phrases that you will sing in the song

Art

Children will:

- Collect a good range of imagery, adding annotated notes and sketches.
- Make relevant comparisons between different styles of art.
- Use tools effectively to explore a range of effects.
- Respond to the meaning of a spirit animal through drawing.
- Generate symbols that reflect their likes and dislikes with little support.
- Create a tile that is full of pattern, symbols and colours that represents themselves.
- Explain the term chiaroscuro.
- Apply chiaroscuro to create light and form through a tonal drawing.
- Understand the impact of using techniques for effect.
- Participate in a discussion that examines the similarities and differences between different styles of art.
- Form their own opinions about what art is, justifying their ideas.
- Identify a cause and decide what message they want to convey.
- Understand artist's choices to convey a message.

PE

Tennis

- understand importance of having good ABC's in tennis
- change direction of ball
- play a forehand shot
- understand what shots can be used in attacking play
- play a backhand shot
- play a tennis serve
- apply all skills learnt in a tennis match

Swimming

Spring 2 2023

French

J'habite (I live)

Children will:

- learn new topic vocabulary and practise using this
- Read and write short texts in the target language
- Ask and answer questions in French / take part in role-play

Geography

Climate Change: How is climate change affecting our planet?

Children will:

- explain the difference between weather and climate
- describe and explain the climate of polar, temperate and tropical regions
- explain what is meant by the term 'green house effect' and its links to global warming
- understand how climate change is different from global warming
- explain some impacts of climate change and evaluate their impact on people
- understand some of the changes being caused by climate change in coastal areas of the UK
- explain and evaluate how countries are acting to reduce global warming
- reach a judgment on what the UK government is doing to reduce carbon emissions

Science

Evolution and inheritance (continued)

Children will:

- recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago
- recognise that living things produce offspring of the same kind, but normally offspring vary and are not identical to their parents
- identify how animals and plants are adapted to suit their environment in different ways and that adaptation may lead to evolution

PSHE

The Government x2
Law x2
BV - Lawmakers & Activists
Alcohol, smoking and vaping

Illegal drugs
