

## Science - Wonderful Weather

- To identify and name a variety of common wild and garden plants, including deciduous and evergreen trees by exploring the woodland area.
- Observe changes across the 4 seasons
- To observe and describe weather associated with the seasons and how day length varies.

## PE

- Multi-skills
- OAA

We will also be spending time exploring the woodland area and learning outdoors in the year 1 yard.

## RE- Christianity

- Learning the features of a church
- The importance of God
- Visit to local church

## Design Technology

- Use the simple map of the school we devised to create a 3d junk modelling map of the school / classroom
- We will be designing and making a new piece of equipment that will improve our outdoor area.

# THE GREAT OUTDOORS YEAR 1 AUTUMN TERM (1)

## Music

- Weekly Rhythm grid (freestyle creative apps)
- Hey you!
- Singing strategy
- Hey you!
- Topic songs

## Geography

- What is Geography all about?
- Whereabouts in the United Kingdom do I live?
- What can I learn from different maps about Burradon and my local area?
- What are the main land uses around Burradon?
- How can we explore the human and physical features of Burradon?
- How is my local environment changing and why might this be?

Fieldwork: Walk around Burradon

## Computing

## E-Safety

Computing systems and networks

## PSHCE

- Visions and Values focusing on resilience
