

EYFS Newsletter

Autumn Term 1 2025

From Mrs Baty

Welcome back everybody!

We are very excited to get started this term after an amazing summer break!

PE day is a Friday this term.

FS1 (nursery) children are very young so will not require a kit yet as I am sure you can appreciate, it would take the entire lesson just to get them dressed! The FS1 children are going to be doing parachute games and team games.

FS2 (Reception) children will be getting changed for PE. This half term we are going to be completing multi skills and team games.

FS2 children will receive a reading book on a Friday. Please ensure books are in school daily so we can read with them. FS2 children will receive practical maths and phonics homework on Fridays via seesaw.

Our EYFS library will begin this term. Children will be invited to choose a book to take home for the week on a Friday. They will get them out of their bags to swap each Friday. Many thanks.

What We Are Learning

Our topic this term is '**Amazing Me!**' We are going to be talking about ourselves and our families and what are we really good at! The children and staff are going to learn to celebrate differences and what makes us special.

This half term is all about building relationships with your children and getting to know them as well as them getting to know us. We know we are going to have so much fun settling in and making new friends along the way!

Forest School Activities

The children will be taking part in forest school activities in our woodland area every week. Please ensure that they come equipped for the weather for outdoors. We have some wellies for the children to wear but if you would prefer to bring in a pair and leave them here that would be great too! When the weather is wet and muddy, we will put the children in all-in-one waterproofs so they stay dry. Please ensure that your child has a spare set of clothes in their bag if they do get wet or have an accident during the day.
