

Home learning

- **Spellings** will be given out every Friday, for a test the following Friday. Please ensure your child practises these at home.

Homework

Maths homework will be sent out once a week on Fridays and due back the following Friday. Please encourage and ensure your child is completing their homework each week.

- **Parents/carers**, **Reading Diaries** should continue to be brought in to school every day. **Please try to hear your child read as often as possible or encourage them to read independently if they do so!**

Reading diaries should also be signed once a week.

Thank you!

- **Times Tables Rockstars**

Please try to encourage your child to access TTRS regularly. Children must be able to recall all multiplications up to 12 x 12 in year 4.

Year 4/5 Newsletter

Autumn Term 2

We hope you have had a restful half term and a happy Halloween! Well done for a wonderful start to Y4/5. We have seen fantastic resilience and you have worked really hard- especially in our History unit. This half term we will be working on kindness and friendships.

Geography

Our Geography unit this half term is all about Volcanoes and Earthquakes. We will explore how volcanoes are formed and why people live beside them. We will learn why earthquakes happen and what people do to protect themselves.

English

We will continue to learn and write about the World War in English by writing a non-chronological report. We will then apply this knowledge to our Geography unit to write about volcanoes and earthquakes.

Other information

In Science, we will be continuing our learning about lifecycles. Please see our class matrix for information about the other exciting things your child will be learning.

Please ensure that children have their ready dairies every day.

Please remember that there is lots of important information on our website

burradoncommunityprimaryschool.co.uk!
