

Action Plan

Topic 1

Eco-Schools Topic	Marine
Aim Write a short explanation of what you hope to achieve.	To raise awareness of plastic pollution and reduce single use plastics.
Action(s) Add actions you are going to take/projects you will deliver to achieve your aim. Include delivery dates to set yourself a timeline.	Eco team to make posters to place around the school so that people are aware of the dangers. Take a lunchbox survey in Autumn term and then in Summer term to see if we have reduced the single use plastics.
Informing & Involving Explain how you are going to promote your activities and involve your school community.	Posters, assemblies, eco team going into classes.
Monitoring & Evaluation Consider how you will monitor the impacts of your projects and evaluate their success.	Survey and talking to children
