## Spring Term 1

### Welcome Back!

We hope you had a lovely half time over the festive period and happy new year to you all!

This half term, we will be learning about Italy and how it compares to England. In Science, we will be investigating plants and animals whilst in Design Technology, we will be developing our cooking skills! Please look on the class matrix to find out about the other exciting things your child will be learning about!

Reading is very important in Y3! Please read as often as possible and support your child to look at tricky vocabulary and discuss the book. The children enjoy reading and are always keen to share when they have at home especially to earn house points for their team!

We have PE on a Wednesday and a Thursday! **Please ensure your has their correct PE kit in school. No jewellery should be worn for school with the exception of a watch. This includes the clear plastic studs.**

We do lots of learning and active breaks throughout the day, so please ensure your child has their water bottle every day!
