

### Physical Development

Explore both indoors and outdoors in our new setting.  
Pass toys from one hand to another.  
Begin to join in with songs and dancing.

### Personal, Social and Emotional Development

Find ways of calming ourselves in a new environment with new people.  
Get to know our key workers.  
Talk about jobs using puppets.  
Talk about what I like and dislike.

### Communication and Language

Enjoy singing music and toys that make sounds.  
Begin to develop a conversation with others, taking turns to speak and listen.  
Listen to simple instructions.

## Pre-School Autumn 1

### Expressive Arts and Design

Show attention to songs and music.  
Respond when music changes.  
Move and dance to different music.  
Explore making different sounds with our voices.

### Mathematics

Combine objects like stacking cups.  
Put objects inside other objects.  
Begin to crawl through tunnels and into boxes.

### Literacy

Enjoy songs and rhymes.  
Listen to and pay attention to sounds in the setting.  
Learn routine songs for times of the day.

### Understanding of the World

Notice differences between people.  
Repeat actions that have an effect.  
Explore natural materials both indoors and out.
