## Spring term 2 2026

Welcome back butterflies and ladybirds!

We hope you enjoyed your half term holiday everybody! We are learning all about weather, what to wear in different weathers/seasons and all about bears in our 'Outdoor Explorers' topic. We will be spending time in the woodland area and helping to spruce it up with some lovely creative fairy doors and other artwork! We also have Phunky Foods coming in to work with both nursery and reception children on the 'Early years food' programme which should be exciting! Cooking/baking and preparing food linked to a story.

### Don't Forget...

Fridays are our PE days once again. Please send a PE kit into school if you are in FS2 (reception/ladybirds) as we will be getting changed for PE lessons on a Friday morning. Leave it in school and we will send it home at Easter to be washed.

FS1 (nursery/butterflies) will have PE on this day also but are not required to get changed for PE or wear a PE kit yet.

Please ensure you send water only in your child's water bottle. Could FS2 children bring in their reading books daily.

### Important Dates

23<sup>rd</sup> February – Return to school

3<sup>rd</sup> and 4<sup>th</sup> March – Parents evenings (uniform swap shop in hall)

5<sup>th</sup> March – World Book Day

Wb 9<sup>th</sup> March – British Science week

20<sup>th</sup> March – Red Nose Day
