Be aware of their own barriers to learning and how to address them. Match skills to certain jobs and begin to understand the ideas of skills and qualities. Show respect for others in what they do and say.</p>	<p>https://www.stem.org.uk/resources/collection/484536/engineering-fairy-tales?page=1 CHILDREN BECOME REAL LIFE ENGINEERS AFER LISTNING TO THE FAITY TALES Linking career-related learning to PSHE Primary Schools Toolkit (careersandenterprise.co.uk) BOXER AND CHEF FOCUS</p>

Careers Education 2025- 2026

<p>Year 4/5/ 6</p>	<p><u>links between work and money</u> To begin to understand that the choices I make about work and money will affect my life.</p>	<p>Research and discuss a range of career choice and find out about jobs they have never heard of before. Set longer term goals by making a plan. Recognise that they have to be responsible for reaching their goal even if they don't succeed at first and recognise excuses and how to overcome. Know about discrimination and stereotypes and how this links to respect.</p> <p>Year 6 (only) Explore transitions and link to secondary school – How will they make it successful? Identify the characteristics that create a good impression – respect, kindness, perseverance, helpfulness and how they will be valued by employers.</p>	<p>Linking career-related learning to PSHE Primary Schools Toolkit (careersandenterprise.co.uk) BOXER and CHEF focus</p> <p>What could I be powerpoint?</p> <p>What might my future hold sheet?</p>
