  - Foster good relations between different groups.

## **2. Introduction**

This plan is drawn up in accordance with the duties in the Equality Act 2010, as amended by the SEN and Disability Act 2001 (SENDA). It draws on the guidance set out in "Accessible Schools: Planning to increase access to schools for disabled pupils", issued by DfES

## **3. Definition of Disability**

Disability is defined by the Equality Act 2010 as:

"A person has a disability if he or she has a physical or mental impairment that has a 'substantial' and 'long-term' negative effect on his or her ability to do normal day to day activities".

## **4. Key Objective**

To reduce and eliminate barriers of access to the curriculum, and to enable full participation in the school community for pupils, prospective pupils and our adult users with a disability.

## **5. Principles**

1. Compliance with the Equality Act is consistent with the school's Single Equality Scheme and Action Plan, and the operation of the school's SEN policy;
2. The school recognises its duties under the Equality Act (as amended by the SENDA):
  - Eliminate unlawful discrimination, harassment and victimization;
  - Advance equality of opportunity between different groups; and
  - Foster good relations between different groups.
  - not to discriminate against disabled pupils in their admissions and exclusions, and provision of education and associated services
  - not to treat disabled pupils less favourably
  - to take reasonable steps to avoid putting disabled pupils at a substantial disadvantage
  - to publish an Accessibility Plan.
3. In performing their duties, governors and staff will have regard to the Technical Guidance on the Public Sector Equality Duty written by the Equality & Human Rights Commission.

4. In performing their duties, governors and staff will have regard to the Special Educational Needs and Disability regulations 2014.
5. The school recognises and values parents' knowledge of their child's disability and its effect on his/her ability to do normal activities, and respects the parents' and child's right to confidentiality.
6. Schedule 10 (Accessibility for Disabled Pupils ) of the Equality Act also requires schools to;
  - Increase the extent to which disabled pupils can participate in school curriculum
  - Improving the physical environment of the schools for the purpose of increasing the extent to which disabled pupils are able to take advantage of education and benefits, facilities or services, provided or offered by the school,
  - Improving the delivery to disabled pupils of information which is readily accessible to pupils which are not disabled
7. The school provides all pupils with a broad and balanced curriculum, differentiated and adjusted to meet the needs of individual pupils and their preferred learning styles; and endorses the key principles in the National Curriculum framework, which underpin the development of a more inclusive curriculum:
  - setting suitable learning challenges
  - responding to pupils' diverse learning needs
  - overcoming potential barriers to learning and assessment for individual and groups of pupils.

## **6. About our School**

Burradon Community Primary School's new building was opened in April 2006. Our accessibility requirements were checked in December 2008 by the LA and subsequently in 2014 by Health & Safety.

### The physical accessibility of the site

The school building at Burradon was completed in 2006. The school is built on one level and are well designed to meet the needs of pupils and adult users who have mobility problems or physical disabilities:

- all classrooms and other rooms/offices are on the ground floor;
- all public-access rooms, including front and back entrances, toilets, library, and hall are on the ground floor, with no steps;
- a disabled toilet is available.
- a hearing loop is situated in the main reception area

The physical environment was developed with particular accessibility features:

- lighting, signage, colour contrast, the acoustic environment and floor coverings
- toilet, washing and changing facilities
- the layout of the playground and woodland area

- To raise staff awareness, personal knowledge and skills of the Single Equality Scheme and provide training required in the 9 strands.
- To raise the children's awareness, knowledge and understanding of a range of disabilities.
- To ensure that opportunities are provided in school and as part of the community wing program which ensure equal access to all groups within the community.
- To promote the school to different groups, encouraging under represented groups to become more involved with the school and its work.

(For further detail of what these actions are please see the School's Single Equality Scheme Action Plan)
